# Aladdin Do the Reuse Challenge Transform Recycled & Recyclable Mug 16oz

**DO GOOD. LOOK GOOD.**

## FEATURES & BENEFITS

**Recycled and Recyclable.** Made with eCycle®.

**Car-cup friendly.** Drop the between-the-knees balancing act.

**Dishwasher safe.** Ditch the dirty work.

**Microwave safe.** Heat + heat again.

eCycle® is good stuff. It is our proprietary mix of recycled plastics.

eCycle® makes it easy to do the right thing. It is 100% recycled food grade polypropylene containing 25% post consumer content and is fully recyclable where [5] recycled plastic is collected. For information on where to find a recycling center that accepts [5] plastic, visit our website, [www.aladdin-pmi.com](http://www.aladdin-pmi.com).

## BUY DETAILS

MSRP: \$9.99
